

“1 Stop Service Freight Package” to King’s Cup – Jet Ski World Cup, Thailand 2014 Is Open for Booking Now!!

With ever increasing demands for our service, this year our “1 Stop Service Freight Package” is now ready and open for booking.

For those unfamiliar with our service, this is such a convenient way to send your jet skis to our King’s Cup – Jet Ski World Cup, Thailand 2014. Simply follow our shipping instructions and that’s it!! After the World Finals your boats will sail easily to wait for you at Pattaya City (The official hotel). Once you finish here, give it 28 - 42 days (depending on the route), your craft will wait for you at the port of your destination with option A : “World Finals Race Site – Pattaya City ,Thailand – Sea port of your country”

You can also send your craft from your country as a round - trip one - stop service package with our option B : “Sea port of your country – Pattaya City ,Thailand – Sea port of your country”

Last year, more than 70 boats traveled to our King's Cup using our service but many sadly missed this opportunity!

The important thing is we have to prepare for all necessary processes & documents. So far, we have received plenty of reservations, so you'd better hurry because we can accept only a limited number of boats. Therefore, for those interested in taking this special package, please make a reservation and also a payment as soon as possible. See the attached reservation form for more details.
